The banner features a large, healthy green plant in the center. Above the plant, the slogan "Grow Green, Live Clean" is displayed in a bold, white, sans-serif font. Below the slogan, a smaller line of text reads "Healthy plants for a healthier planet". A green button with the text "Explore Plants" in white is positioned in front of the plant. At the top of the banner, there is a dark green navigation bar with the "GreenLeaf" logo on the left and links for "Home", "Plants", "Services", and "Contact" on the right.

The services section contains three light green rounded rectangular boxes. The first box, titled "Plant Care", features a small icon of a seedling and the text "Expert guidance for healthy growth.". The second box, titled "Home Delivery", features an icon of a delivery truck and the text "Plants delivered safely to your door.". The third box, titled "Eco Solutions", features an icon of a recycling symbol and the text "Sustainable and green practices.". Above these boxes, the heading "Our Services" is centered in a dark green font. Below the services section, a larger light green box contains the heading "Contact Us" in dark green. It includes three input fields for "Your Name", "Your Email", and "Your Message", followed by a "Send Message" button at the bottom.
